OFFICE NOTE.

SUBJECT:— Grant of pension to Annadoraiengar, late Peishkar of the Chamarajaswamiswami Temple.

LAST REFERENCE.

Letter No. 172 dated 22nd January 1903 form the Dy Commissioner Mysore District.

The petitioner Annadoraiengar was employed as Peishkar of the Sri Chamarajaswamiswami Temple at Chamarajanagar on a salary of Rs 25- per mensem. He retired of his own accord in May 1901, on the score of old age.— His. Hon Ramgacharlu

Iyengar was thereupon appointed to the third post- and that young man is on the same pay - now the Pushkar of the Sri Srikanteswaraswami Temple at Nanjangud -

2. Ramadoraiengar in his petition says that he served in the Mysore Department for about 45 years (since 1856 1901) and therefore prays that he may be granted pension in consideration of his long service. He quotes 4 instances in which the Mysore Servants were shown certain concession after their retirement from service; Viz :—

(1) That one Komari the sons of Rao, who was the Head

Head Parthasyar in the Srikantheswaraswami temple at Nanjanpuram here allowed 2 Seers of rice and Condiments every day from the temple

(ii) That one Venkatachalapathi, who was the Christmaker in the same temple on a salary of Rs 12, was granted 3 Seers of rice daily

(iii) That one Venkata Rao, who was the Chief Purohithyar in the said temple on Rs 10 a month was similarly allowed 2 Seers of rice per day and (iv) that the Archaka at Tirupati was granted pensions.

*Proceedings of the Chief Commissior of Mysore, General Department, 9th Apr*1875.

From the Commissioner of the Ashtagram Divisio'o the Secretary to the Chief Commissioner of Mysore, General Department, General No. 795—Jl. 63, dated Camp Baigur, 10th March 1875.

The Deputy Commissioner, Mysore District, havi in his letter No. 1164, dated 13th ultimo, submitted for favorable consideration and orders an apation for pension from a Muzrayi official whose service in that Department extends over 30 years, awho is partly paid from the Tastik allowance of the temple he is employed in, and partly from the Mrayi surplus funds, I have the honor to request that you will be good enough to obtain the Chief Comissioner's orders on the general question whether Muzrayi officials can be considered as having any cle to pension to be met either from the provincial or departmental funds.

From the Secretary to the Chief Commissioner of Mys, General Department, To the Deputy Accountant General in Mysore, General No. 919-F. 689, dated 17th March 1875.

Ashtagram Commissioner's letter No. 795—63, ted 10th instant, requesting orders on the general question whether Muzrayi officials can be considered having any claim to pension.

*To be returned. *above.

From the Deputy Accountant General in MysorTo the Secretary to the Chief Commissioner of Mysore, General Department, No. 59, dated Bangalore, 19th March 1875.

I have the honor to acknowledge receipt of your ler No. 9191—F. 689 of the 17th instant requesting my opinion on a questi mooted by the Commissioner of the Ashtagram
Enclosure returned. Division, whether Muzrayi icials can be considered as having any claim to pension, either from provinl or departmental funds.

2. The allowances made to Muzrayi institutio whether for the maintenance of their establishments or for current expenses, are of the character oendowments, the detailed expenditure of which is not fixed by Government, but generally left to the Iari or priest or other person, sometimes a committee in charge of the institution, whose proceedingre supposed to be only subject to the supervision of the Amildar and ultimately a Muzrayi Officer. Viewed in this light, the establishments may be regarded as "paid from an establishment allowance," rvice on which does not qualify for pension, agreeably to Section 14 of the Civil Pension Code. Furtr, Section 17 of the Code lays down that service qualifies only for a substantive office on a *permant* establishment, a condition which the Muzrayi establishments cannot be said to fulfil even if meansisted of verifying service thereon.

3. It is also to be observed that many institutis are maintained by revenues derived from inam land grants. Service paid out of such grants does noualify (Section 33). The contributions of votaries also form a source of income from which the general special expenses of temples and feeding houses are defrayed. These may be regarded as "local funover which the Government has no control." Service paid from such funds are excluded from pension Sections 27, 28.

4. Under the considerations I have enumerated am clearly of opinion that persons serving in the Muzrayi institutions of any class are debarred m pensions. The only exception that might be made would be the case of an official employed in tOffice of a Deputy Commissioner or an Assistant Commissioner in charge of the Muzrayi duties of a strict, whose pay is defrayed from Government grants or from surplus funds accruing from such gras. There are but few officials in this position and their cases might be dealt with specially according toeir merits.

No. 161—GENL. 3, DATED BGALORE, 9TH APRIL 1875.

ORDER.—In this letter the Deputy Acountant General submits his opinion on a question raised by the Commissioner of Asagram, whether Muzrayi officials can be considered as having any claim to pension.

2. The Chief Commissioner observes that it is the nature of the employment rather than the source of emolument which determes this question. Muzrayi officials whose duties and salary are frequently of an uncerta character cannot be considered entitled to pension so long as Municipal servants arelebarred from this privilege.

Sir,

With reference to your docket
No. 1221, dated 2nd December 1902, calling
for opinion on a petition from Annadoreya
-gar late Peshkar of the Sri Chamarajeswa
-raswami temple at Chamarajnagar
praying for pension, I have the honor to
state that the Amildar of Chamarajnaga
reports that the patitioner ~~has~~ served in the
Muzrai Department for upwards of 45 ye
with credit and as such is deserving of
grant of a pension from the Muzrai fund

The Mulgrai Assistant Commissioner is not in favor of the above recommendation as the late Peshkar has retired voluntarily and his son has been employed in his place at his own request

2 The petitioner's son was employed in the Forest Department on Rs 20/- and he resigned that service when he took up the place of his father in the Mulgrai Department I do not think that this can be held to debar the applicant from claiming pension for long and good service.

3. I therefore request that you will kindly obtain the sanction of Government for the applicant's pension being granted from the Mulgrai funds.

The Vernacular record ending with Amildar's Ettidé No 81 dated 4th December 1902 is herewith submitted for reference and Kind return.
